

We are reaching out on behalf of the Sacramento Mandarins, a nonprofit organization dedicated to providing arts education for youth throughout the Sacramento region. Over the past six decades, our programs have positively impacted thousands of young individuals, helping them develop invaluable life skills such as teamwork, discipline, leadership, and commitment.

- The Mandarins Music Academy teaches elementary school band at over 44 schools to more than 1,300 students, including the Jessie Baker School for special needs students.
- Mandarins Pathways continues to provide music instruction in the Sacramento County Youth Detention Facility, allowing incarcerated youth the opportunity to explore music in a positive and encouraging format.
- Our Immortal Winds ensemble is the premier indoor winds group in northern California, placing first at NCBA Championships three years in a row.
- Mandarins Entertainment, consisting of our energetic drumline and the Clementine Brass Band, are hired to bring high-energy performances to many events in California.

We invite you to partner with us as a valued sponsor for our upcoming events. Your support—whether through monetary contributions or in-kind donations—will directly contribute to the success of our programs.

We offer a variety of sponsorship opportunities to fit businesses and individuals at all levels of giving. Your generous support will help us sustain and expand our programs, ensuring that Sacramento youth continue to experience the transformative power of music.

If you have any questions or would like to explore a customized sponsorship opportunity, you can reach me at Dan.fong@mandarins.org.

We look forward to the possibility of working together to inspire and uplift our community through the arts.

With gratitude,

Dr. Dan Fong
