

We are reaching out on behalf of the Sacramento Mandarins, a nonprofit organization dedicated to providing music education and enrichment opportunities for youth throughout the Sacramento region. Over the past six decades, our programs have positively impacted thousands of young individuals, helping them develop invaluable life skills such as teamwork, discipline, leadership, and commitment.

- Our flagship program is a world-class top ten touring Drum and Bugle Corps which has won two prestigious Spirit of Disney Awards.
- The Mandarins Music Academy teaches elementary school band at over 44 schools to more than 1,300 students, including the Jessie Baker School for special needs students.
- Mandarins Pathways continues to provide music instruction in the Sacramento County Youth Detention Facility, allowing incarcerated youth the opportunity to explore music in a positive and encouraging format.
- Our Immortal Winds ensemble is the premier indoor winds group in northern California, placing first at NCBA Championships two years in a row.
- Mandarins Entertainment, consisting of our energetic drumline and the Clementine Brass Band, are hired to bring high-energy performances to many events in California.

As we continue our mission of shaping the future of our youth through music and performance, we invite you to partner with us as a valued sponsor for our upcoming events. Your support—whether through monetary contributions or in-kind donations—will directly contribute to the success of our programs and the young musicians who benefit from them.

We offer a variety of sponsorship opportunities to fit businesses and individuals at all levels of giving. These range from individual item donations to premier presenting sponsorships, allowing you to showcase your commitment to the community while gaining visibility among our engaged audience. In return, sponsors receive recognition through event promotions, social media, signage, and other customized benefits.

We would love the opportunity to discuss how we can partner together to make a lasting impact. Your generous support will help us sustain and expand our programs, ensuring that Sacramento youth continue to experience the transformative power of music.

Please find attached details about our sponsorship levels and benefits and our Certificate of Good Standing from the California Secretary of State reflecting our current and valid status as a 501(c)(3) California corporation. If you have any questions or would like to explore a customized sponsorship opportunity, we would be delighted to connect. You can reach me at Dan.fong@mandarins.org

Thank you for your time and consideration. We look forward to the possibility of working together to inspire and uplift our community through the arts.

With gratitude,
