Community Outreach Sponsorship

Who are the Mandarins?

Mandarins Performing Arts is a 501(c)3 non-profit whose mission statement is *Transforming Lives Through the Performing Arts*. Since 1963, we’ve provided educational and performing opportunities to thousands of Sacramento-area students through our Mandarins Music Academy, Immortal Winds Indoor Ensemble, Pathways Program, and World Class Mandarins Drum and Bugle Corps.

The Event

Mandarins Performing Arts is hosting the Drum Corps International Capital Classic Drum Corps Competition this summer - California’s third-largest competition event, featuring both Open and World Class divisions. Over 4,000 performers and fans attend the event, which is recognized as the highlight of Sacramento’s summer arts activities. Drum corps are elite marching bands that perform Broadway-style shows with breathtaking choreography. Next year’s event will be held on **Friday, July 3, 2026**, at Sacramento State’s Hornet Field.

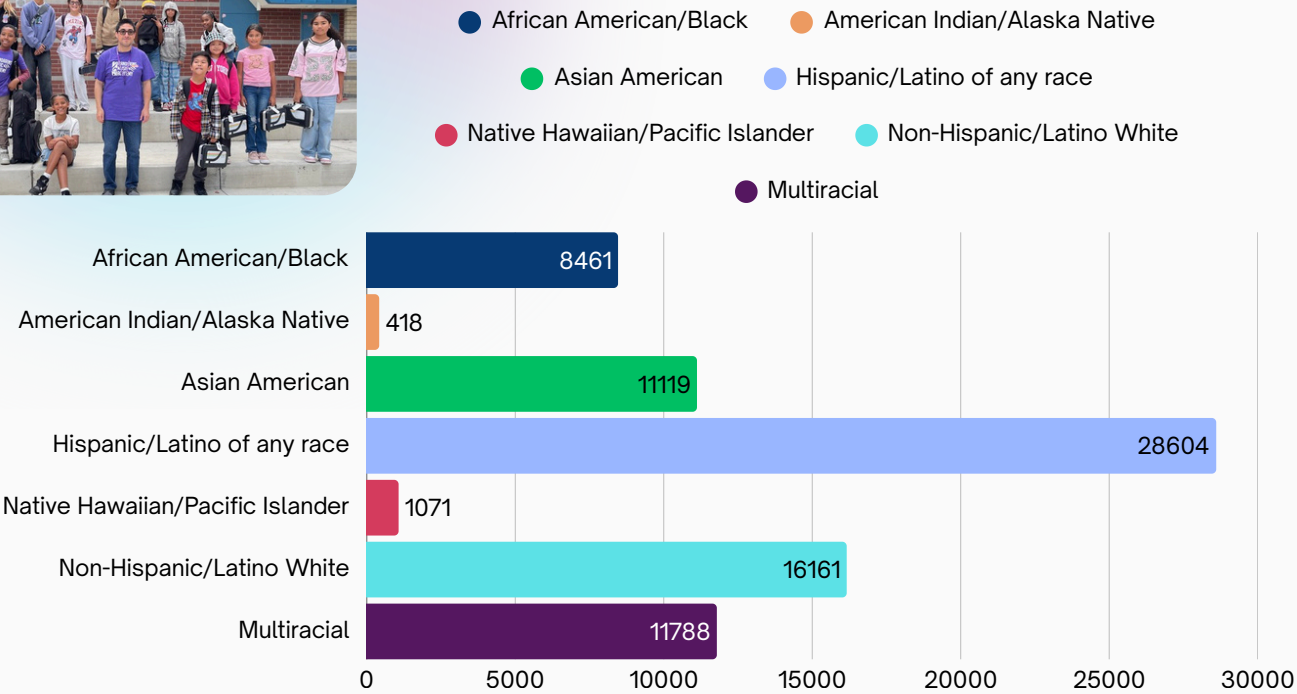

Outreach to Underserved Students

Producing live drum corps events in a large venue is expensive. Each ticket costs between \$35 and \$150. High school band students want to attend the DCI Capital Classic, but many are priced out. We offer discounts to school groups, but that is not enough for the economically disadvantaged students.

That is why we need **YOUR** help—Community Outreach Sponsors to provide students with access to an amazing live performance that could transform their lives.

Testimonies

It made no difference what place we took because scores and trophies are lost through me. All that matters and all that we remember are the journeys we take together and the relationships we develop along the way.

– **Mandarins Alum, Ben**

We relied on each other for support and encouragement, celebrated our accomplishments, and comforted one another in our defeats. I am grateful for those years we shared.

– **Mandarins Alum, Joyce**

The will to strive toward excellence. It shaped my very being and has fueled my success here at school.

– **Mandarins Alum, Courtney**

The rich history, experience, and foundations that Mandarins shares with young people is invaluable.

– **Mandarins Alum, Bruce**

The Mission

Funds from the Community Outreach Sponsorships are dedicated to providing new musical instruments for the Mandarins Music Academy, including several Title 1 schools, instructional materials for the incarcerated youth music program from Pathways, participation for student leaders in the Summer Leadership Camp, and operational support for the Immortal Winds and the Mandarins Drum and Bugle Corps. Thank you for your continued support of the arts.

Dr. Daniel Fong | President/CEO | Mandarins Performing Arts

"This program has been an absolute labor of love for me personally. I get to interact with the students every week. In the beginning, the students may have low energy, but by the time we start singing and playing on their new instruments, the joy on the students' faces is a heartwarming gift. I can't think of a more meaningful way to give the gift of music to such wonderful students."
